Care Groups

"A Place for Everyone"

Therefore encourage each other and
build each other up,
just as you also are doing.
1 Thessalonians 5:11

Spring Semester - Feb 7th - May 2nd

In a culture that's moving faster all the time, many are lacking something that the Bible teaches is very important; real relationships. Much of New Testament teaching regarding "church life" is best experienced in a small, informal, group setting. Along with studying God's Word, Care Groups are a place to get to know and appreciate others and build lasting relationships. It's a great place to pray for and care for each other in a practical way. We have Care Groups that meet in various locations and times for all ages and seasons of life.

Christians Live Like Christians"

by Chip Ingram

Nathan & Charis Nordlund

Meet at - Nathan & Charis' Home (Bemidji)

Monday Nights - 6pm start

We will have supper together, pray for one another, and go through the study together each week. We will also be incorporating some fellowship events throughout the semester. This semester we will be going through the Titus video series. This video series will challenge us to display the gospel in our lives through doing good. When the gospel has truly taken root in our lives, it produces the fruit of godliness. As we pass these things onto future generations, the Church stands in bright contrast to the darkness of the world.
