Fall Semester - Sept 12th - Dec 5th

In a culture that's moving faster all the time, many are lacking something that the Bible teaches is very important; real relationships. Much of New Testament teaching regarding "church life" is best experienced in a small, informal, group setting. Along with studying God's Word, Care Groups are a place to get to know and appreciate others and build lasting relationships. It's a great place to pray for and care for each other in a practical way. We have Care Groups that meet in various locations and times for all ages and seasons of life.

2018

Look through the various groups being offered, contact the group leader if you need more information and then sign up in the fellowship hall. We are excited about the many opportunities that will be available to get to know others and grow together!

Remember WE ALL ARE THE BODY OF CHRIST and YOUR input is important! Feel free to contact us with thoughts and ideas for future groups. We hope YOU decide to join the adventure and get involved. *Contact information is on the back of this brochure.*
